Developed in 2009 by Indiana DRT representatives, arbitration advocates, and Branch Presidents to help new stewards develop complete case files up to the Formal A meeting. The program grew quickly and an additional "Advanced" camp was added focusing on computer research and writing persuasive Step B appeals.

Class size is limited to 21 stewards per session. The camp registration fee includes lodging, meals, and all materials during the training course. Contact Tim Turner or Ken Hill for additional information on attending.

Indiana Advanced Steward Boot Camp **February 19-21**

\$180 Registration Fee Due January 15, 2012.
